einstein™ Tablet+3

3DESIGNED WITH STEM CURRICULUM IN MIND

Advanced STEM lab in one device

ADVANCED 10.1" ANDROID TABLET

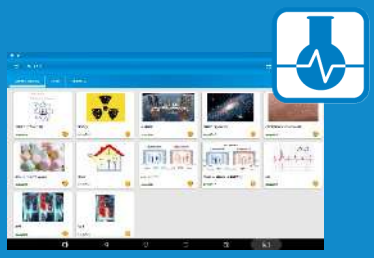
13 BUILT-IN SENSORS

EXPLORATION & ANALYSIS APPS

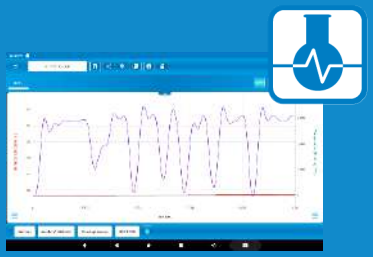
STIMULATES CREATIVE LEARNING AND CHALLENGES ADVANCE LEARNERS

The **einstein**™ Tablet**+**3 includes apps for elementary to high school

MiLAB



MiLABEx Workbook



MiLABX

Sensors Included:

- UVI
- Light
- Temperature
- Heart Rate
- Humidity
- Heat Index
- Acceleromet
- GPS/Location
- Microphone
- Sound
- Barometric pressure
- Dew Point
- Video

Connects up to 8 additional sensors from a veriety of more than 60 **einstein**™ external sensors

Main Features:

- 10.1" Zero gap IPS screen
- Android OS
- Quad core processor
- Slim and strong design
- USB charging
- MicroSD slot
- Bluetooth 4.2 (including BLE support)
- Fast wireless connectivity
- 8MP back camera with flash
- Projector friendly
- Long lasting battery
- 2 loud speakers

einstein™
Environmental & Renewable Energy Bundles

Dedicated bundles for students in primary, middle, and high school that enable focusing on world **enviromental and climate challenges**.

Promote a healthy curiosity in society for the world around us, enable creative thinking, boost wonder and questioning, and take action in collaboration and communication.

einstein™Tablet+3

Includes **13** Built-in sensors

Fourier's Recommended **einstein**™ Bundle per subject learned

Primary School

Biology Bundle

- Temperature Sensor (-40 to 140°C)
- Humidity Sensor

Chemistry Bundle

- Temperature Sensor (-40 to 140°C)
- Current Sensor (250 mA)
- Voltage Sensor (2.5V)

Physics Bundle

- Temperature Sensor (-40 to 140°C)
- Current Sensor (250 mA)
- Voltage Sensor (2.5V)
- Light Sensor

Environmental Science Bundle

- Temperature Sensor (-40 to 140°C)
- CO_2 Sensor
- Anemometer Sensor

Human Physiology Bundle

- Temperature Sensor (-40 to 140°C)
- Humidity Sensor
- Heart Rate Exercise Sensor

All bundels comes with **einstein**™Tablet+3 or **einstein**™LabMateII to your choice, with all it's internal sensors (details on the next page)

All bundels comes with **einstein**™Tablet+3 or **einstein**™LabMateII to your choice, with all it's internal sensors:

einstein™Tablet+3

Includes **12** Built-in sensors:

- UVI
- Light
- Temperature
- Heart Rate
- Humidity
- Accelerometer
- GPS/Location
- Microphone
- Sound
- Barometric Pressure
- Heat Index
- Dew Point

- Current Sensor (250 mA)
- Voltage Sensor (2.5V)
- Conductivity Sensor
- pH Sensor
- Pressure Sensor (20-400 kPa)
- Drop Counter Sensor
- Ethanol Sensor

Physics Bundle

- Temperature Sensor (-40 to 140°C)
- Current Sensor (250 mA)
- Voltage Sensor (2.5V)
- Light Sensor
- Distance Sensor
- Force Sensor
- Acceleration Sensor
- Electrostatic Charge Sensor
- Magnetic (Triple Axis) Sensor
- Photogate Sensor
- Smart Pully Sensor

Environmental Science Bundle

- Temperature Sensor (-40 to 140°C)
- CO_2 Sensor
- Anemometer Sensor
- Flow Rate Sensor
- Sound Sensor
- Soil Moisture Sensor
- Rain Collector
- ISE* Sensors
