PRODUCT OVERVIEW

Cosa offriamo? What do we offer?

Attrezzature didattiche
 Training equipment

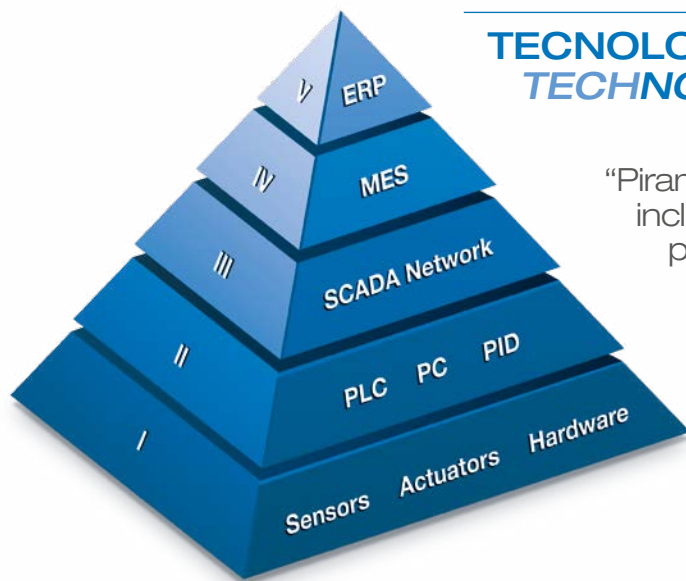

Corsi in eLEARNING
 eLEARNING courses

Formazione e Collaudo
 Training & Commissioning

TECNOLOGIE TECHNOLOGIES

“Piramide dell’Automazione”
include i cinque livelli tecnologici
presenti in ambito industriale.

“Automation Pyramid”
include the five technological levels
which can be considered in an
industrial environment.

Sapere e saper fare...
Know and know how to...

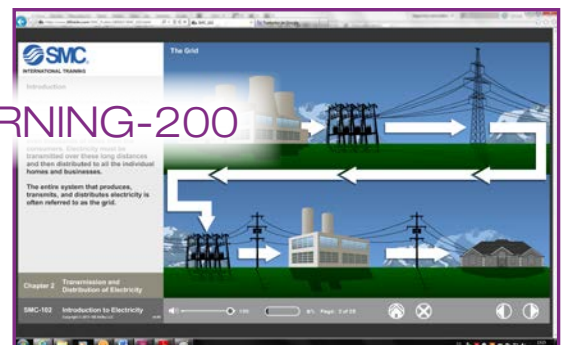

SAPERE:

Conoscenza dei fondamenti teorici
alla base delle tecnologie.

KNOW:

*Knowledge of the basic
theory in the technologies.*

eLEARNING-200

ATTREZZATURE EQUIPMENT

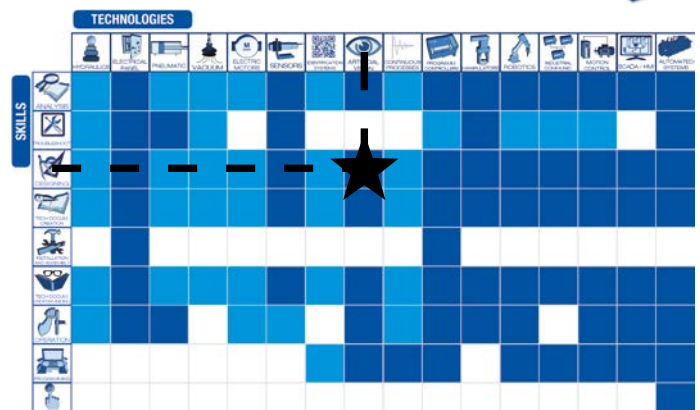

SAPER FARE:

Sviluppo delle COMPETENZE
nelle TECNOLOGIE applicate.

KNOW HOW TO:

*Developing SKILLS in
applied TECHNOLOGIES.*

@ eLEARNING-200

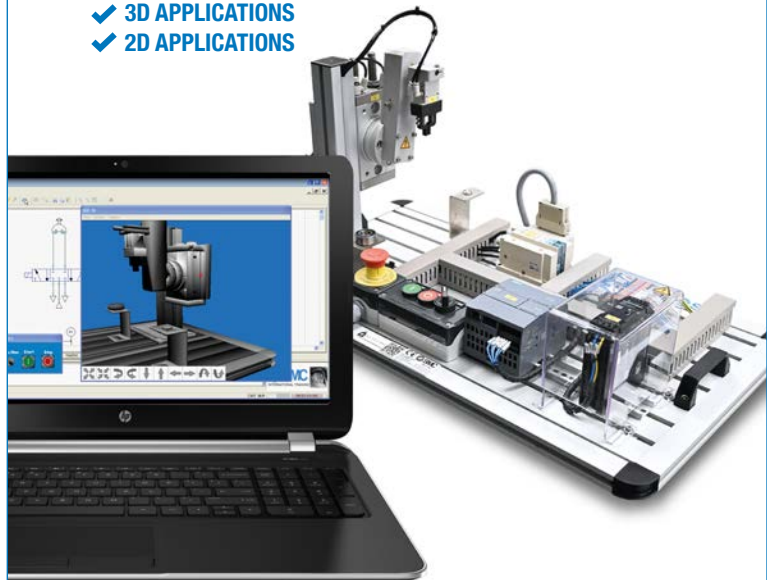

L'integrazione teorica perfetta
The perfect theory companion

autoSIM-200

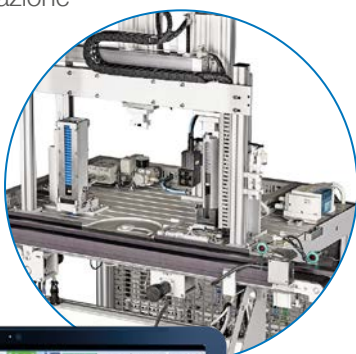

Software di simulazione
Automation simulator

- ✓ DIGITAL MODEL
- ✓ 3D APPLICATIONS
- ✓ 2D APPLICATIONS

SMCTwin-400

Simulatore di Automazione
Tool for digital twins

RAB-400

Come connettersi in remoto al tuo laboratorio
Connect remotely to your lab

SECURE CONNECTION

EASY CONFIGURATION

REAL TIME SUPERVISION

ENS-200

Stazione di risparmio energetico
Energy saving trainer

PNEUMATE-200

La pneumatica
alla vostra portata!
Your mate in pneumatics

VAC-400

Tecnologia del vuoto
Vacuum technology

PNEUTRAINER-400

Pneumatica ed Elettropneumatica
Pneumatics - electro-pneumatics

HYDROMODEL-200

Oleodinamica ed Elettro oleodinamica trasparente
Transparent hydraulics - electro-hydraulics

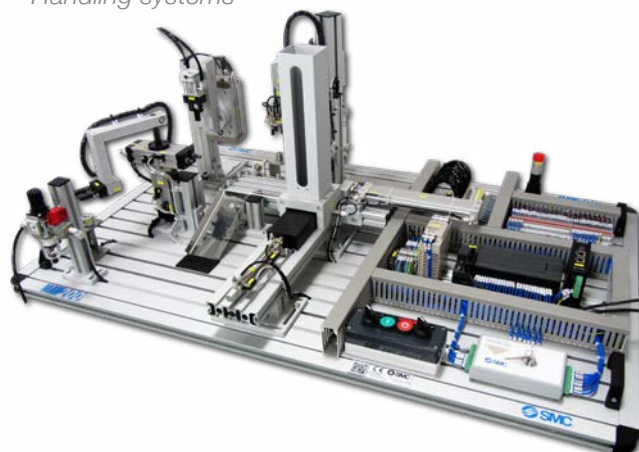

RTS-200

Sistema a servizio della robotica
Robotics training system

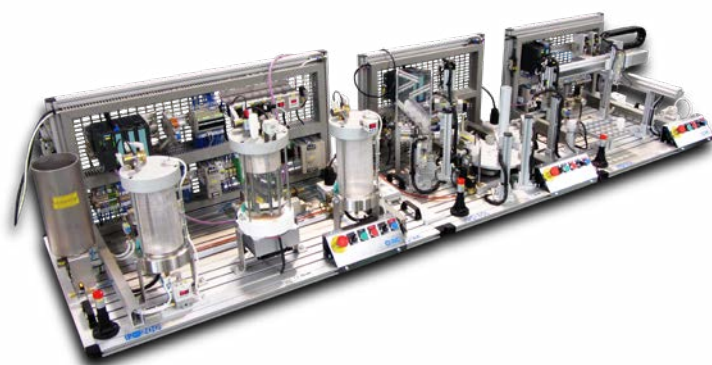

MAP-200

Stazioni di manipolazione
Handling systems

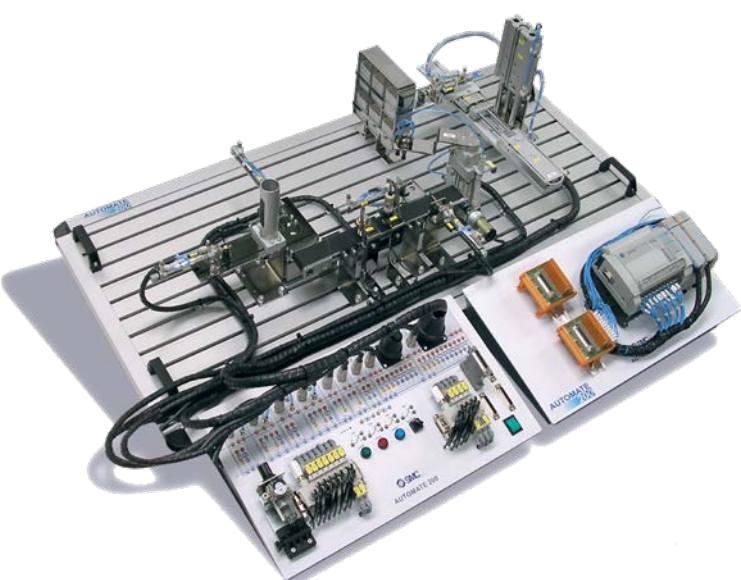

IPC-200

Sistema per il controllo di processi industriali
Industrial process control

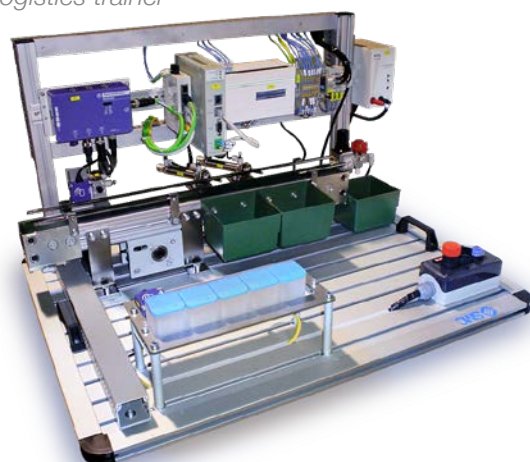

AUTOMATE-200

Benvenuti nel mondo dell'automazione
Welcome to the world of automation

LOG-200

Stazione di logistica RFID
RFID logistics trainer

LE SOLUZIONI PER L'INDUSTRIA 4.0

I4.0 TRAINING SYSTEM

SIF-400 Smart Innovative Factory

M&I-400

NEW

M&I
400

FMS-200
SPECIAL EDITION I4.0

FAS-200
SPECIAL EDITION I4.0

Versione standard disponibile - Standard version also available
